

**WASHINGTON, DC PICNIC – DICK BROCKERT**

Our picnic was held at **Harold and Libby Williamson's** home in Annapolis, Maryland. They have a lovely home, with a huge back yard that was more than sufficient for our group. The weather was great, the food outstanding and plenty of cold drinks. There were 20 of us, plus two grandchildren of **Ruby and Stan Smith**. Everyone had a great time. **Willie** had a bean bag toss, which became competitive (a lot like horse shoes, only the beans were a lot lighter than horse shoes!) and the champions ended up being **Betty Schlater** and **Dave Beatty**.

A site and time for next year's picnic has not yet been selected.
